Antelope County Board
Neligh, Nebraska

The Antelope County Board of Supervisors convened in regular session on Tuesday, July 14, 2015 at 8:05 AM in the County Supervisor's Room, Antelope County Courthouse Annex, Neligh, Nebraska. Meeting was called to order by Chairman Schwager, with the following board members responding to roll call: Kerkman, Schindler, Koinzan, Henery, Schwager and Bolling. Chairman Schwager stated that the open meeting laws are posted on the east wall of the Supervisors' room with more copies available at the County Clerk's Office.

Notice of the meeting was given in advance thereof by publication in the four county newspapers, legal newspapers printed and in general circulation in Antelope County, Nebraska as shown by proof of publication filed in the County Clerk's office. Agenda for said meeting was sent to all members of the County Board of Supervisors.

Supervisor Williby appeared at 8:08 AM.

Supervisor Kerkman discussed the availability of the RC & D Council for recycling computers and electrical equipment. It was decided to recycle any electronic device currently stored, but not working. Supervisors Kerkman and Schwager will met Friday morning to load equipment.

Claims were reviewed.

Antelope County Clerk of the District Court met with the Supervisors Regarding the "SubAward between The Nebraska Department of Health and Human Services Division of Children and Family Services Child Support Enforcement and Antelope County Clerk of the District Court." Ms. Cole reports this agreement is signed once a year and it provides Antelope County with the means to provide courts and law enforcement with the pertinent information needed in locating absent parents, establishing paternity and securing support. There is a reimbursement to the county for the service. Judy provided the supervisors with the documentation of reimbursement. Motion was made by Henery, seconded by Bolling to approve and sign the agreement as presented. Voting aye: Kerkman, Williby, Schindler, Koinzan, Henery, Bolling and Schwager. Nays none. Motion carried.

Approved Freeholders Bond for Ryan Ahlers, Frenchtown Township.

Clerk, Lisa Payne asked if a policy could be established regarding reimbursement of employee purchases. Currently, several employees are buying items for county use and paying tax on these purchases. As the county is exempt the reimbursement of these taxes are being questioned. At this point a policy could be established that reimbursement would be on item only, and any tax paid would be non-reimbursable. Purchases could be made with a county account set up at most establishment. Those establishments would in turn bill the county, after coding from appropriate office. Discussion held. Motion was made by Henery, seconded by Williby to establish a policy to reimburse the employee the amount of the item, and not taxes paid by said employee. Voting aye: Koinzan, Kerkman, Henery, Williby, Schindler, Bolling, and Schwager. Nays none. Motion carried.

Chad Marsh, from Kirkham Michael met with the board regarding hauling routes used by NPPD in the construction of their new power station north of Neligh. He does road studies and wanted to offer his services to the county. He did not realize construction had started. Discussion followed. Brian McDonald, as Antelope County Highway Superintendent does these studies for us. No action at this time.

Kelly Mueller, Antelope County Assessor, met with the Supervisors regarding Oblique Photo Contract. Once every six (6) years the county has to inspect and evaluate every parcel in the county. The taking of these photos in the rural area helps identify changes through visual picture. At which time they can go to certain parcel and inspect. If the picture reveals no changes it would constitute a physical inspection, and she would not use man labor and hours. Motion was made by Bolling, seconded by Schindler to approve the Assessor enter into contract and claim can be paid out of County General. Voting aye: Kerkman, Bolling, Schindler, Williby, Henery, Koinzan and Schwager. Nays none. Motion carried.

Discussion held on surplus items. Dri-Fertilizer Spreader (Oakdale), 500 gallon fuel tank – 110 Pump with meter (Elgin) – No Sale. Jerry Schwager will contact Steve Keetle, Big Iron. Discussion held to bring all items to the Neligh Barn. Items to be east of the Barn, and can be listed as can be inspected there if needed.

Discussion on Road Boss Advertisement. County Clerk and County Attorney were going to write up an advertisement to include in the papers. "Antelope County is seeking a self-motivated, organized individual to fill a Road Boss position. This person will supervise, assign, and organize all road projects. He or She will work closely with all road personnel, and supervisor/commissioners and other county employees. They must possess knowledge of all aspects of road maintenance including, ordering of supplies, equipment, maintenance and grading of all paved and gravel roads. Must possess or be able to obtain a Commercial Driver's License. This job may contain other duties as developed for this position." To be advertised in NACO, and all county papers (2 weeks), Grand Island (Wednesday & Sunday-2 weeks), Omaha World Herald (Wednesday & Sunday-2 weeks), and Norfolk Daily News (2 weeks Wednesday & Sunday). Joe Ablor, Antelope County Attorney, will look at advertisement before it is sent to any publication. Motion was made by Henery, seconded by Williby. Voting aye: Henery, Koinzan, Kerkman, Williby, Schindler, Bolling and Schwager. Nays none. Motion carried.

Discussion on Time Clocks. This was discussed during the March 3, 2015 Supervisor Meeting. It has come to the attention this would alleviate some hour questions. Discussion followed. Time clocks could be purchased of the street for \$170.00 each, however, these devices would not integrate with the system, and MIPS had introduced a system that would integrate. Supervisors were in agreement to invite MIPS, (Joe Powers and/or Tod Thieman) to a meeting in August.

Annual Cash Benefits to Veterans/Dependents \$259,857.00

The 2nd Quarter of CY 2014 claims resulted in the highest dollar amount of grants to veterans and survivors since the time I began this quarterly report in 2008. I believe it is the highest in the time of my employment as the CVSO. Several of the grants were at the 100% level of disability. Some of the denials have appealed, and some were granted on later claims that also fell in this reporting period. Five of the claims were Agent Orange Claims. Three were granted outright. One is being appealed, and the other veteran died, and his widow was granted benefits. The Agent Orange claims pushed the total claims for the quarter to 22, which is the highest total claims in a quarter for some time.

The Vetrespec Computer Program has been up-loaded into my computer. John McNally, Deputy Director of the Nebraska Department of Veterans Affairs came out on June 25th, to give me some introduction into the use of the program. I was able to pay for the first year's rent of the system out of my FY 2015 budget from funds left over, mainly due to not attending the NACO Conference in December. The cost is \$399.00 per year. It will be a line-item on the FY 2016 Budget request, as per our agreement when you approved the program.

Applications for the Nebraska Veterans Home continue to be up from previous years. This is most likely due to the aging of our veterans and their wives and widows. The waiting time continues to be an issue, as the NVH is very attractive alternative to nursing homes due to cost and the quality of the facility. There is a much longer waiting time for widows, and wives. Veterans have priority. State Statute requires at least 75% of the patients at the NVH must be veterans. If a veteran turns down their opportunity to take a bed when it is offered, then they go to the bottom of the waiting list. It makes planning a move to the NVH very difficult for the veteran and his family.

Thank you for the opportunity to continue to serve the veterans of Antelope County
